

Počitnice v tujem jeziku

Gozd Martuljek 2007

I. del

V prvem terminu počitnic v tujem jeziku se nas je v Gozdu Martuljku učilo angleščine **17 otrok**, starih od **6 do 14 let**. Poleg učenja angleščine na zabaven način, smo se tudi rolali, kolesarili, plezali, vozili s sanmi in drčo, igrali tenis, šli na nočni pohod z baklami, na nočno kopanje, pekli smo jabolčne palačinke in še in še ... naše učiteljice so vsakodnevno dajale slike na Janovo internetno stran, v enem tednu jih je nastalo preko 1000 – oglejte si jih na <http://www.js-jan.com> v fotogaleriji.

Otroci smo bili razdeljeni v tri skupine: **A1**, **A2** in **A3**.

A1, najmlajši otroci smo se naučili predstaviti, učili smo se živali, številke, dele telesa, barve, za zaključni nastop smo se naučili odigrati igrico Zlatolaska in trije medvedki.

V skupini **A2** smo se naučili slovensko igrico Ali je kaj trden most v angleščini, tudi mi smo se naučili predstaviti, povedati, koliko smo stari in kje smo doma, predstavljali smo svoje družinske člane, opisovali smo svojo domačo žival, se učili sadje in zelenjavo, živali, oblačila, dele telesa in obraza, risali svoj portret, številke do 100 in barve. Peli smo pesmice, radi pa smo zahajali tudi v bralni in igrani kotichek.

A3 je bila skupina 3 najstarejših deklet, ki smo se angleščine učile preko glasbe, poslušanja pesmi, spoznavanja angleško govorečega sveta, pisanja pesmi. Z učiteljico smo obnovile angleške čase in izdelale plakat, s katerim smo se predstavile na zaključnem nastopu. Za zaključni nastop smo odigrale tudi igro Ana in delfin.

Počitnice v tujem jeziku

Gozd Martuljek 2007

II. del

V drugem terminu počitnic v tujem jeziku se nas je v Gozdu Martuljku učilo angleščine kar **23 otrok**, starih od **6 do 14 let**. Na prvem mestu je seveda bila angleščina – zabavna, zanimiva in nikoli dolgočasna: spoznavali smo angleško govoreči svet, si pogledali kakšen video, se naučili kakšno igrico in se naučili veliko novih besed ... Poleg tega smo se tudi rolali, kolesarili, plezali, vozili s sanmi in drčo, igrali tenis, šli na nočni pohod z baklami, na nočno kopanje, pekli smo jabolčne palačinke in še in še ... naše učiteljice so vsakodnevno dajale slike na Janovo internetno stran, v enem tednu jih je nastalo preko 700 – oglejte si jih na <http://www.js-jan.com> v fotogaleriji.

Otroci smo bili razdeljeni v tri skupine: **A1**, **A2** in **A3**.

A1, najmlajši otroci smo se naučili predstaviti, učili smo se živali, številke, dele telesa, barve, za zaključni nastop smo se naučili odigrati igrico Zlatolaska in trije medvedki.

V skupini **A2** smo se naučili slovensko igrico Ali je kaj trden most v angleščini, tudi mi smo se naučili predstaviti, povedati, koliko smo stari in kje smo doma, predstavljali smo svoje družinske člane, opisovali smo svojo domačo žival, se učili sadje in zelenjavo, živali, oblačila, dele telesa in obraza, risali svoj portret, številke do 100 in barve. Peli smo pesmice, radi pa smo zahajali tudi v bralni in igralni kotiček. Za zaključni nastop smo pripravili tudi modno revijo.

A3 je bila skupina najstarejših deklet in fantov na naših počitnicah v angleškem jeziku, ki smo se angleščine učili preko glasbe, poslušanja pesmi, spoznavanja angleško govorečega sveta, branja različnih besedil, igranja krajše igre ... Z učiteljico smo obnovili angleške čase in izdelali plakat, s katerim smo se predstavili na zaključnem nastopu. Za zaključni nastop smo odigrali igro Duh.
